As **QALFM** is an association whose aim is to support, mentor and provide a forum for the exchange of ideas amongst people involved in law firm marketing in Queensland, we have been advised that **QALFM** is not carrying on an "enterprise" for the purposes of the GST legislation and the Pay As You Go legislation. Because the Association is not making supplies to the employer of members, there is no requirement under section 12-190 of Schedule One of the Taxation Administration Act for your firm to withhold an amount from the subscription fees payable and to remit that amount to the ATO. Similarly, **QALFM** is not required to remit GST to the ATO on the subscriptions paid and your firm will not be entitled to an input tax credit for any component of the subscriptions.

This document once completed is your official receipt of payment.
